FUND FOR LEADERS

FEDERAL CHAPLAINCY SCHOLARSHIP ENDOWMENT

Supporting Leadership and Spiritual Care for the U.S. Armed Forces

Chaplains of the U.S. Armed Forces have served this nation with distinction throughout history. Ordained Lutheran pastors, men and women, serve in uniform in the Army, Air Force, Navy, Marines, Coast Guard, Merchant Marines, and Civil Air Patrol. The need is as great as ever for pastors who will serve – in Active, Reserve or Guard status.

Together, with Veteran’s Administration and Federal Prison Chaplains, they bring the hope, help, and healing of Christ through Word and Sacrament, pastoral care, and community leadership. The effects of the longest war in our history include increased suicide rates, brain injuries, post-traumatic stress disorder, moral injury, depression, and other spiritual wounds of war – these all beg attention by those in service to Christ.

The Number One obstacle to women and men answering the call to chaplaincy is educational debt.
